EDUCATION

S.No	Name of Institute	Field of study	Year of Passing	Percentage/ CGPA
1	JNTUH College of Engineering,jagtial	B.Tech(IT)	2018-Present	7.2
2	SR Junior College	Intermediate(MPC)	2018	96%
3	St.John's High School	SSC	2016	9.7

RECENT PROJECTS

HMS | Hostel Management System

- Tried to build a Hostel Management System for our college using DJANGO framework.
- Link to Drive : [HMS](#)

Flipkart Review Scraper

- Built a web scraper using FLASK that scrapes top reviews of items given by the user.
- Link to GitHub repository : [review-scraper](#)

Student Performance Prediction

- Built different ML models that predict the performance of a student using previous assessment marks.
- Live at : [Student-Performance-Predictor](#)

ACHIEVEMENTS

- **Top 1 %**(Rank 71 out of 5500+) in "Deep Learning Challenge : Identify Dance forms" at HackerEarth.
 - Recognised different Dance forms in the images using Resnet34.
- **Top 8%**(Rank 441 out of 5000+) in "Machine Learning: Will your employees leave you?" at HackerEarth.
 - Predicted the attrition rate of Employee using XGBoost and NeuralNetwork

SKILLS

- 1) Languages : C,Python,C++
- 2) Tools : Git,Linux,Jupyter Notebook
- 3) Libraries proficient : Numpy,Pandas,Pytorch,sklearn,matplotlib,flask
